Re: Upcoming MSD Meeting Regarding April 2 Stormwater Capital Rate Vote and Project Clear Update

The Department recently received an invitation to attend a meeting with the Metropolitan St. Louis Sewer District to provide information relative to two items:

April 2 Stormwater Capital Rate Vote – MSD’s rate commission has approved a public vote to consider a rate increase for stormwater projects.

Project Clear Update – MSD will provide an update on this multi-billion-dollar program of improvements to upgrade their sanitary sewer system.

I am planning to attend the meeting on January 29th in Manchester. If any Council Members would like to attend, please let me know, and I will forward the invitation.
