Re: Use of Metal Detectors at City Hall

---

The Board is asked to consider and evaluate the implementation and use of metal detectors for security purposes within City Hall. This is primarily recommended for consideration during nights where Municipal Court is held at City Hall; but could be extended for other meetings. Please be prepared to discuss this topic.

Captain Mundel will be available for questions regarding this topic at the January 10, 2019, meeting of the Board of Public Safety.
