Re: St. Louis County 911 Call Center Response Time

The Board is asked to consider the need to track City of Wildwood response times for the St. Louis County 911 call center. Data could be requested by the Board which would be used as a baseline to evaluate and track future performance of the 911 call center.

Captain Mundel will be available for questions regarding this topic at the January 10, 2019, meeting of the Board of Public Safety.
