Re: February Meeting Date Conflict

---

Due to the Presidents' Day holiday on February 18, the February meeting of the City's Planning & Parks Committee was moved to Tuesday, February 26. This meeting now conflicts with the regularly scheduled date for the February meeting of the Economic Development Committee. Given the overlap of Council Members on each of these two Committees, I am requesting if the Committee would prefer to reschedule this meeting to another date or cancel until March. I have attached the meeting calendar for February 2019 to assist in the discussion.

I will be available for any comments or questions at the January 29, 2019 Meeting of the Economic Development Committee.
