Re: Consideration of Primary Seat Belt Ordinance

Captain Mundel has suggested that the Board consider the enactment of a primary seat belt ordinance for the City of Wildwood. Dating to 1998, the City has adopted the state statute regarding seat belt use. State statute requires drivers of passenger cars to wear a properly adjusted and fastened safety belt, however, the state statute does not allow a person to be stopped, inspected, or detained solely to determine compliance with the seat belt requirement.

In 2007, St. Louis County adopted a primary seat belt law (see attached), which eliminates the prohibition on stopping vehicles to determine compliance. It should be noted that a person convicted under this ordinance can be fined no more than ten dollars (\$10.00) and is not assessed points.

As shown in **Table 1**, within St. Louis County there are eighteen (18) municipalities which have adopted a similar primary seat belt ordinance.

Creve Coeur	Town & Country	Webster Groves

Captain Mundel and I will be available for any questions regarding this matter at the March 7th meeting of the Board of Public Safety.
