Re: Hosting Committee Meetings at City Businesses

---

At its meeting on September 24, the Committee voted to place an item on the October meeting agenda to discuss the idea of hosting meetings of the Economic Development Committee off-site at local businesses. Council Member Stephens had previously requested a discussion of the same topic in May 2019.

For use in that discussion, I have included a copy of an email I sent to Council Member Stephens in May 2019 identifying a list of potential venue options for these meetings.

I will be available for any comments or questions at the October 22, 2019 Meeting of the Economic Development Committee.
