Virtual Senior Yoga

Friday Senior Yoga class continues as an online virtual class. Even though all Senior Recreation Programs have been cancelled through June, Wildwood Yoga and Wellness, the City's partner for

Senior Yoga, is providing classes online. Seniors register with the City and then are provided a Zoom link to the class. They can attend the class during its regular time on Fridays or use the link within 24 hours to participate in it. The setup is going well, with over twenty (20) seniors have registered each week.

Virtual Community Bingo

Two (2) virtual Bingo games were held during the month of May, via Zoom. More than one hundred (100) individuals played games of Bingo over the course of the hour on these two (2) Friday evenings. There were even dance parties during the breaks. The events were very well received and additional games are planned.

Virtual Community Trivia

The first trivia game was held on June 10th, via Zoom and CrowdPurr, a software program to operate the trivia game. Approximately (30) groups were logged into Zoom, and playing the trivia game, which consisted of eight (8) rounds of ten (10) questions. The event was very well received and additional games are planned.
