## MEMORANDUM

To: Mayor Bowlin and City Council Members

From: Steve Cross, City Administrator

Date: April 23, 2021

Re: Waste Connections August 1, 2021 Contract Renewal

---

As discussed at the April 12, 2021 Council meeting, the issues related to the Waste Connections August 1, 2021 Contract Renewal were to be discussed at the April 13, 2021 meeting of the Administration/Public Works Committee. That discussion concluded with a unanimous vote of the Committee to recommend to Council that the City move forward with the August 1, 2021 renewal.

As a reminder, if the City does not wish to renew the contract, the City must provide written notification to Waste Connections of that decision by May 1, 2021. If the Council agrees with the recommendation of the Committee, then no action is required of Council at this time and the Departments of Administration and Public Works will move forward and work with Waste Connections to put the August 1, 2021 renewal in place.

Rick Brown and I will be available at the April 26th meeting of the City Council for any questions regarding this matter.

Respectfully,

Steve Cross  
City Administrator
