Scope of Work

TK Elevator will furnish and install a new controller drive on the unit(s) referenced above due to a power surge. The controller drive regulates power to the drive motor and is critical for continued operation. We will test for proper operation and return to service.

Payment Terms

50% of the price set forth in this Work Order will be due and payable as an initial progress payment within 10 days from TK Elevator's receipt of a fully executed copy of this Work Order. This initial progress payment will be applied to any applicable project management, permits, engineering, drawings and material procurement. Material will be ordered once this payment is received and the parties have both executed this Work Order.

The remaining 50% of the price set forth in this Work Order and any fully executed change orders shall be due and payable at the time TK Elevator commences the work described in the Work Order. TK Elevator's receipt of this final payment is a condition precedent to TK Elevator's return of the equipment described in this Work Order to the full operation and use and Purchaser agrees to waive any and all claims to such operation and use until such time as that payment is made in full.

Purchaser agrees that TK Elevator shall have no obligation to complete any steps necessary to provide Purchaser with full use and operation of the affected elevator(s) until such time as TK Elevator has been paid 100% both of the price reflected in this Work Order and for any other work performed by TK Elevator or its subcontractors in furtherance of this Work Order. Purchaser agrees to waive any and all claims to the turnover and/or use of that equipment until such time as those amounts are paid in full. TK Elevator reserves the right to assign payments owed to TK Elevator under this Work Order.

Terms and Conditions

TK Elevator does not assume any responsibility for any part of the vertical transportation equipment other than the specific components that are described in this Work Order and then only to the extent TK Elevator has performed the work described above.

No work, service, examination or liability on the part of TK Elevator is intended, implied or included other than the work specifically described above. It is agreed that TK Elevator does not assume possession or control of any part of the vertical transportation equipment and that such remains Purchaser's exclusively as the owner, lessor, lessee, possessor, or manager thereof.

Unless otherwise stated herein, TK Elevator's performance of this Work Order is expressly contingent upon Purchaser securing permission or priority as required by all applicable governmental agencies and paying for any and all applicable permits or other similar documents.

It is agreed that TK Elevator's personnel shall be given a safe place in which to work. TK Elevator reserves the right to discontinue its work in the location above whenever, in its sole opinion, TK Elevator believes that any aspect of the location is in any way unsafe until such time as Purchaser has demonstrated, at its sole expense, that it has appropriately remedied the unsafe condition to TK Elevator's satisfaction. Unless otherwise agreed, it is understood that the work described above will be performed during regular working days and hours which are defined as Monday through Friday, 8:00 AM to 4:30 PM (except scheduled union holidays). If overtime is mutually agreed upon, an additional charge at TK Elevator's usual rates for such work shall be added to the price of this Work Order.

In consideration of TK Elevator performing the work described above Purchaser, to the fullest extent permitted by law, expressly agrees to indemnify, defend, save harmless, discharge, release and forever acquit TK Elevator, its employees, officers, agents, affiliates, and subsidiaries from and against any and all claims, demands, suits, and proceedings made or brought against TK Elevator, its employees, officers, agents, affiliates and subsidiaries for loss, property damage (including damage to the equipment which is the subject matter of this Work Order), personal injury or death that are alleged to have been caused by Purchaser or any others in connection with the presence, use, misuse, maintenance, installation, removal, manufacture, design, operation or condition of the vertical transportation equipment that is the subject of this Work Order, or the associated areas surrounding such equipment. Purchaser's duty to indemnify does not apply to the extent that the loss, property damage (including damage to the equipment which is the subject matter of this Work Order), personal injury or death is determined to be caused by or resulting from the negligence of TK Elevator and/or its employees. Purchaser recognizes, however, that its obligation to defend TK Elevator and its employees, officers, agents, affiliates and subsidiaries under this clause is broader and distinct from its duty to indemnify and specifically includes payment of all attorney's fees, court costs, interest and any other expenses of litigation arising out of such claims or lawsuits.

Purchaser expressly agrees to name TK Elevator along with its officers, agents, affiliates and subsidiaries as additional insureds in Purchaser's liability and any excess (umbrella) liability insurance policy(ies). Such insurance must insure TK Elevator, along with its officers, agents, affiliates and subsidiaries for those claims and/or losses referenced in the above paragraph, and for claims and/or losses arising from the negligence or legal responsibility of TK Elevator and/or its officers, agents, affiliates and subsidiaries. Such insurance must specify that its coverage is primary and non-contributory. Purchaser hereby waives the right of subrogation.

TK Elevator shall not be liable for any loss, damage or delay caused by acts of government, labor, troubles, strikes, lockouts, fire, explosions, theft, riot, civil commotion, war, malicious mischief, acts of God, or any cause beyond its control. TK Elevator Corporation shall automatically receive an extension of time commensurate with any delay regarding the work called for in this Work Order.

Should loss of or damage to TK Elevator's material, tools or work occur at the location that is the subject of this Work Order, Purchaser shall compensate TK Elevator therefor, unless such loss or damage results solely from TK Elevator's own acts or omissions.

If any drawings, illustrations or descriptive matter are furnished with this Work Order, they are approximate and are submitted only to show the general style and arrangement of equipment being offered. Work Order.

Purchaser shall bear all cost(s) for any reinspection of TK Elevator's work due to items outside the scope of this Work Order or for any inspection arising from the work of other trades requiring the assistance of TK Elevator.

Purchaser expressly agrees to waive any and all claims for consequential, special or indirect damages arising out of the performance of this Work Order and specifically releases TK Elevator from any and all such claims.

A service charge of 1.5% per month, or the highest legal rate, whichever is less, shall apply to delinquent accounts. In the event of any default of any of the payment provisions herein, Purchaser agrees to pay, in addition to any defaulted amount, any attorney fees, court costs and all other expenses, fees and costs incurred by TK Elevator in connection with the collection of that defaulted amount.

Purchaser agrees that this Work Order shall be construed and enforced in accordance with the laws of the state where the vertical transportation equipment that is the subject of this Work Order is located and consents to jurisdiction of the courts, both state and Federal, of that as to all matters and disputes arising out of this Work Order. Purchaser further agrees to waive trial by jury for all such matters and disputes.

The rights of TK Elevator under this Work Order shall be cumulative and the failure on the part of the TK Elevator to exercise any rights given hereunder shall not operate to forfeit or waive any of said rights and any extension, indulgence or change by TK Elevator in the method, mode or manner of payment or any of its other rights shall not be construed as a waiver of any of its rights under this Work Order.

In the event any portion of this Work Order is deemed invalid or unenforceable by a court of law, such finding shall not affect the validity or enforceability of any other portion of this Work Order. This Work Order shall be considered as having been drafted jointly by Purchaser and TK Elevator and shall not be construed or interpreted against either Purchaser or TK Elevator by reason of either Purchaser or TK Elevator's role in drafting same. In the event Purchaser's acceptance of the work called for in this Work Order is in the form of a purchase order or other kind of document, the provisions, terms and conditions of this Work Order shall exclusively govern the relationship between TK Elevator and Purchaser with respect to the work described herein.
