

City Contractors – Proposed Sponsorship Letter

As the year reaches its halfway point and many people are already looking toward the Fall, the City is doing the same thing. One of the major events of the year for the City is its annual celebration – Celebrate Wildwood, which is held in Town Center on Saturday, September 23, 2023. This event brings all of Wildwood together by offering a wide range of music, food, drink, and activities that are for all interests and ages. This event highlights this community and all the businesses, organizations, and contributors that make it a great place to live, work, and play.

The City team members feel you are one of the main contributors to Wildwood and would like you to seriously consider an opportunity to continue to show your support to this great community by becoming a sponsor of this event. The City offers a number of options in this regard, with sponsorship levels to fit your level of support. Given your relationship with the City and the resources it allocates during any given year for specific services, the organizers of this event would hope you take this opportunity to show your support and commitment to Wildwood, as it has in you. Given costs, led by rising prices, your assistance can make this event a success and one everyone will remember.

Attached to this letter is the sponsorship information about the event. Please consider being generous in this regard. If you should have any questions or comments regarding this opportunity to help the City, please feel free to contact the Department of Planning and Parks at (636) 405-2030. Thank you for your anticipated support.

Subdivisions – Proposed Sponsorship Letter

As trustees, the leaders in your neighborhood, the City of Wildwood would like to advise you of a new opportunity for your subdivision's residents to show their pride in their homes and the community. This opportunity is the City's major event, which is its annual celebration – Celebrate Wildwood - and held in Town Center. The event will be held on Saturday, September 23, 2023. In the past, the event has brought all of Wildwood together by offering a wide range of music, food, drink, and activities that are for all interests and ages. This event highlights this community and all the residents, businesses, organizations, and contributors that make it a great place to live, work, and play.

The Wildwood Celebration Commission, a group of volunteers that oversees this event each year, believes that your community is a significant contributor to Wildwood's success and reputation and would like your residents to consider an option to continue to show support to this great community by being a sponsor of this event. The Wildwood Celebration Commission created a new opportunity for subdivisions like yours, and it comes along with a number of great offerings as well. Given your relationship with the City, the organizers of this event would hope you would consider this opportunity to participate in this fun day here in Wildwood. If you chose to participate, a bonus is the subdivision is immediately eligible to be a part of the parade, and really show its pride to everyone.

Attached to this letter is the sponsorship information about the event. If you should have any questions or comments regarding this opportunity, please feel free to contact the Department of Planning and Parks at (636) 458-0440. Thank you for your consideration of participating in this event in 2023.
