V. 2021 Celebrate Wildwood and Art Festival Events

a. Updates on Event Planning:

*Celebrate Wildwood Event:* April 24, 2021: Director of Planning and Parks Vujnich provided an overview of the 2021 Celebrate Wildwood Event and the status of planning efforts. Of special note, the Commission was advised the Lafayette High School Marching Band has penciled in the date for the parade. A solid commitment could not be provided, given the Coronavirus Pandemic situation, but advised they would notify the City the moment some sort of a commitment could be made for this date.

There was lengthy discussion on the subject of sponsorships for the Celebrate Wildwood Event. Some Commission Members suggested lowering sponsorship levels because of the pandemic situation or, possibly add another box to the sponsorship form that could be checked whereby sponsorship donations could be submitted in any amount and the donor could be recognized in event brochures/information. The Commission was advised the Department would draft a new letter to sponsors and present it to the Commission at its next meeting.

The Committee was informed that *crafters* would certainly be invited to the 2021 Celebrate Wildwood Event. Finally, the Commission was advised the field used for the past Celebrate Wildwood Events (east of the B & B Theater) will likely not be available for the 2021 event.

*Wildwood Art Festival:* October 11 and 12, 2021: No discussion took place, since the event is over a year away.

VI. Discussion of Proposed Budgets for the 2021 Celebrate Wildwood and Art Festival Events

Director of Planning and Parks Vujnich presented a preliminary 2021 budget to Commission Members and explained differences between it and the 2020 budget due to separating the events. There were no significant questions, as long as the preliminary numbers/costs could be adjusted in the future, when event planning costs become clearer.
