Re: **Withdrawal of P.Z. 50, 51 and 52-16 – The Arbors of Wildwood**

Dear Mr. Vujnich:

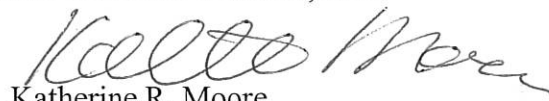

As you know, McBride Turkey Track, LLC (“McBride”) previously requested that the Planning and Zoning Commission table its R-2 PRD zoning request for The Arbors of Wildwood project. However, McBride now must formally withdraw its’ pending zoning request because as of today we no longer have the property under contract and, as such, no longer have an interest in the property.

Therefore, we would appreciate the Planning and Zoning Commission’s approval of this withdrawal request.

We thank you for your assistance with this matter, and I welcome your call should you have any questions about this request.

Yours very truly,
McBRIDE TURKEY TRACK, LLC
